

SMU SIKKIM
MANIPAL
UNIVERSITY

Established under Govt. of Sikkim, Act 9 of 1995, recognised under 2(f) of the UGC Act, 1956

Project Title

Name of Student :

Roll No. / Registration No. :

Department / Programme :

Guide Name :

Date of Submission :

Sustainable Development Goal (SDG)

- Mention the specific SDG(s) relevant to the project
- Add the SDG number and title (e.g., SDG 9 – Industry, Innovation and Infrastructure)
- Briefly explain how the project aligns with this goal

Objectives of the Project

- Mention clearly stated objectives (copy-paste from the approved synopsis)
- Present in bullet format
- Keep it specific and measurable

Outcome of Literature Review

- A brief Summary of relevant research papers/articles referred
- Present key findings or gaps identified
- Use a table or bullet format for clarity

Problem Statement

- Clearly define the research problem
- Mention 2–3 specific investigative points
- Justify why this problem is relevant and important

Research Methodology / Action Plan

- Describe the methodology or framework used
- Mention data collection methods, tools, techniques, and flow work/ flow chart

Data Collection and Analysis (if applicable)

- Describe what kind of data was collected and how
- Mention tools used (e.g., Excel, Python, SPSS etc.)
- Discuss testing, validation, or implementation details (as applicable)

Results and Discussion / Findings

- Highlight key findings: qualitative or quantitative
- Compare with literature or expected outcome
- Include charts/graphs if any

Conclusion

- Summarize the outcome and key achievements
- Mention if your objectives were fulfilled
- Highlight any interesting insight or unexpected result

Limitations

- Briefly state the limitations of the study
- Mention any constraints faced during implementation

Future Scope and Recommendations

- Suggest improvements or extensions of the work
- Recommend practical applications or further research

References

- Mention important references in APA or MLA format

Thank You
